Galore Park Step by Step Reading

A 50-step synthetic phonics course

Step by Step Reading is a 50-step synthetic phonics reading programme in one textbook. Written by renowned phonics expert Mona McNee, the course presents high quality systematic phonic work as

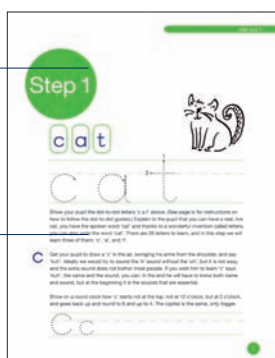

specified in the Primary Framework and enables children's progress to be assessed through Try these exercises and a wealth of free additional resources that can be downloaded from the Galore Park website.

COURSE BENEFITS

- A complete Key Stage 1 synthetic phonics course in one textbook
- A tried and tested course written by acclaimed phonics expert Mona McNee
- Presents high quality systematic phonic work as defined by the Primary Framework
- Encourages blending and segmenting
- All major graphemes and phonemes introduced in turn with these progressing in difficulty
- Supported by a range of free downloadable games and resources

Each Step clearly labelled

Multi-sensory approach encouraged

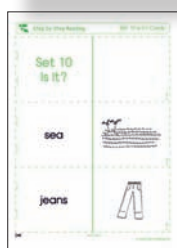

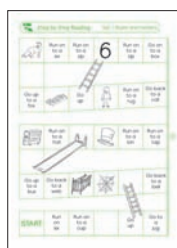

Guidelines provided to help with graphemes

Suggested words for further practice

Free additional resources to accompany Step by Step Reading

Step by Step Reading is supported by a range of free resources for every stage of the course. These are available to download from the Galore Park website at www.galorepark.co.uk.

Pairs

In this game, sixteen cards featuring words learned in the relevant stage of the course are laid out and matched to their image.

Slides and Ladders

Learn to recognise words learned at each stage of the Step by Step Reading programme as you work your way around the Slides and Ladders grid, avoiding the slides as you go!

Bingo

This game is a fun way to practise recognising each of the words featured on the bingo grid. The first to complete a line of words is the winner!

Is It? Cards

Use the Is It? cards to practise reading words and matching these to the correct image.
